RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On September 10, 2010, the releasee was charged with Shoplifting, Concealment of Goods (2 Steaks), from Lowes Foods, Case # 10CR10087, by the Wilmington Police Department, Wilmington, North Carolina. The releasee informed his probation officer he had been charged and advised he was sorry. He stated he had been consuming alcohol prior to the incident which may have led to irrational thinking. This case is scheduled for a hearing in New Hanover County District Court on October 28, 2010.

The releasee receives partial disability of \$449.34 a month and food stamps of \$120. He lives alone in an apartment and has no other income. He struggles financially. Due to his lack of finances he has failed to make payments towards his court ordered monetary obligation.

The releasee has been placed in both mental health and substance abuse therapy. He is participating as requested and appears remorseful for his actions in the above incident. He has also been referred to Vocational Rehabilitation and is checking into taking literacy classes. The probation office recently provided him with a bus pass to assist him with making his appointments. It is recommended the releasee be continued on supervision to participate in therapy and that no action be taken at this time. It is further recommended his conditions be modified to include special conditions of cognitive behavioral therapy and educational services.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall participate in a cognitive behavioral program as directed by the probation office.
2. The offender shall participate in an educational services program as directed by the probation officer. Such program may include GED preparation, English as a Second Language classes, and other classes designed to improve the offender's proficiency in skills such as reading, writing, mathematics, or computer use.
